Your support of Hawaii HomeOwnership Center creates opportunities for local individuals & families to have a safe & stable home in Hawaii. Recent HHOC homeowners include public school teachers, restaurant workers, law enforcement, medical professionals, government professionals, and single parents... we rely on these homeowners in the community and they are part of the Aloha Spirit that makes Hawaii a special place.

**The Hawaii HomeOwnership Center (HHOC) is a 501c3 non-profit organization that focuses on preparing buyers for sustainable homeownership. As of 5/2026, we have successfully assisted 3,321 local families with the purchase of their home in Hawaii and 7,066 have received assistance through HHOC's homeownership classes and coaching. 69% of our homeowners were considered low income when they enrolled in our program. Your contribution will ensure that hudreds in our community will receive this much-needed service!*
